

SLEEPY TIME PILLOWCASES

MATERIALS LIST

MATERIALS:

Fabric A (for pillowcase main body) = 1 yd of 44" wide fabric

Fabric B (for contrast hem) = 1/4 yd of 44" wide fabric

1 spool of coordinating thread

Optional:

Fabric C (for trim) = 1/8 yd of 44" wide fabric

SUPPLIES:

Sewing machine

Scissors*

Ruler*

Marking tool*

Pins*

Optional:

Self-healing mat

Rotary cutter

*In class, I will have some scissors, pins, rulers and marking tools available for you to use!

Please be sure to bring your working sewing machine. If you have not used it in awhile, I recommend plugging it in and turning it on, and making sure that the needle goes up and down; I'd hate for you to come to class and have your machine not be working. Don't forget your foot pedal and power cord!
